What Mrs. Brenninger of New York Says About Rat Poison

"Tried preparations that kill rats, but RAT-SNAP is the only one that prevents disagreeable odors after killing. Also like RAT-SNAP because it comes in handy cakes, no mixing with other food. You don't have to dirty your hands. It's the best for household use." Try RAT-SNAP. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Beacon Drug Store and Torrance Hardware Company.

RATS DIE

so do mice, once they eat RAT-SNAP. And they leave no odor behind. Don't take our word for it—try a package. Cats and dogs won't touch it. Rats pass up all food to get RAT-SNAP. Three sizes.
